## **INTERNATIONAL DESK**

***Sevensseas believes very strongly in the principle of Overseas Partner building and Trade-lane development as prime area of focus***

- *We have a process of careful selection of Overseas partners based on their strength in the respective country locally rather than their multinational global presence giving us an edge in competitive pricing and service compared to a medium sized multinational*
- *We have maintained a decade old relation with many overseas partners enabling them function as an extension of us in the respective country*
- *We have established an International Desk of trade lane managers responsible for Europe Asia, Middle East, Africa & South America, USA & Canada responsible for everything concerning their respective trade lanes enabling trade lane development and associate building*
- *We undertake very regular Overseas visit to meet up with the overseas partners and strengthen our relation and understand them better*
- *We regularly attend Global conferences to enable contact with global associates and understand the global business scenario*

## **CUSTOMER SUPPORT**

***Sevenseas is considered as one of the most customer friendly logistics service providers***

- *We understand the needs of the Indian customers and think the way customers think enabling us to be very empathetic to their requirement and satisfy their needs*
- *We maintain excellent relationship with the nodal agencies and authorities concerned*
- *Single point contact given to all customers with a 24/7 service thro provision of Blackberry to the concerned*
- *A very accessible senior management ever ready to take care of escalated issues*
- *We maintain high flexibility levels in taking care of customer's requirements*
- *We provide services like freight forwarding, Customs clearance ,Transportation , warehousing ( bonded/non bonded) all under one roof*

***Our claims are proven by our clientele base of about 1200 satisfied customers whose references can be provided as required***
