# Moving with Expertise

Sevensseas Metro Express, a domestic pioneer in the organized cargo delivery market in India, is a tactful blend between technology and unparalleled market understanding.

All of these assets that set us apart in the Indian market come to us from our parent company Sevensseas Global Express Logistics Pvt. Ltd.

Sevensseas Global express logistics Pvt.Ltd is a globally run comprehensive, multimodal delivery system started in the year 2001. If awards validate commitment , quality and recognize the professionalism, then Sevensseas Global express logistics Pvt.Ltd does not need any introduction. Sevensseas Global express logistics Pvt.Ltd. brings in an incredible amount of credibility and expertise to establish Sevensseas Metro Express as a leader in inland cargo transportation by the year 2016.
